

Sight Word Hunt

Supplies:

Sight word hunt grid sheet, 1 per student

Sight word cards

Tape

Red, green and blue crayons or colored pencils

Directions:

Cut out and tape sight words around your house or classroom.

Give each student a red, green, and blue crayon.

Tell students they are going to go on a hunt for sight words. Give them each the sight word sheet.

Once a sight word is spotted, students find the corresponding sight word on their grid sheet and color in the box the same color as the word on the card.
